

## TERMS AND CONDITIONS

1. The Subscriber will purchase the Programme: Industrial Gases – Business Performance Analysis for the subscription period of one year in accordance to the following terms and conditions.
2. Spiritus will provide to the Subscriber, 3 bound paper copies of the above mentioned report (1 colour, 2 black and white), on publication, to the address nominated in the Subscription Form).
3. For a multi-subscriber client, Spiritus can provide 2 black and white copies to each nominated centres (up to 4 other addresses) and an electronic copy of the report in a pdf file format to the named contact in the Subscription Form.
4. The period of consulting time allowed under the terms of this subscription to the Programme is one hour a quarter – by telephone or other electronic means. Should the Subscriber wish to use or have more time then Spiritus and its consultants may provide additional advice or information under a separate professional fee and expense basis.
5. While the Programme Reports will represent an original effort by Spiritus based on its own research, it is understood that we will be collating information available from third parties, both published and unpublished. Spiritus does not believe that the Programme will contain confidential information of third parties and does not warrant the accuracy or completeness of any such information.
6. A Single Subscriber is defined as the Company acting as a regional head office in one region/country (i.e. a single site licence). The Subscriber undertakes that no copies of the Programme reports will be sent to other regional head offices or the Subscriber's Corporate Head Office (if not the Subscriber) without the written authorisation from Spiritus. Breach of this covenant of use shall entitle Spiritus to charge the Subscriber the "Multi-Subscriber" rate or terminate the Subscription to the Programme with no obligation to return any portion of the Subscription Fee.
7. A Multi-Subscriber is defined as a Subscriber, that wishes to subscribe to the Programme and receive additional paper copies and an electronic copy at other regional head offices (i.e. a multi-site licence. The number of paper copies will be limited to 2 each, (up to the 5 locations – including the Subscriber's main address).
8. The information disclosed in the Programme Reports will be retained by the Subscriber for sole and confidential use of the Subscriber (or multi-subscriber) and the reports must not be passed on to any third party without written authorisation to do so by Spiritus.
9. Spiritus permits the Subscriber to use said information in the Programme in their own internal research activities and agree to only disclose or publish graphical or tabular information to third parties with accreditation to Spiritus or Spiritus Consulting.
10. The Subscriber further agrees that it will use reasonable efforts to keep the whole content of the Programme Reports for its sole use, however, this restriction shall not apply to information which becomes generally available to the public in a printed publication, which is already in the possession of the Subscriber, or which is received by the Subscriber in good faith from a third party without an obligation of confidentiality.
11. This Programme has been prepared to provide information on the industrial gases business and/or to assist the recipient in its decision making process. Spiritus Consulting warrants that all work carried out for this report was undertaken in good faith. No representation or warranty, either expressed or limited, is made as to the reliability, completeness or accuracy of this report. No responsibility or liability whatsoever is accepted by any person including Spiritus Consulting, its respective officers, employees or associate consultants for any errors or omissions in this paper. It is for the Subscriber to decide what action to take based on this work without redress to Spiritus Consulting for the consequences for such action.
